

POP-UP SERVICE & SET UP PROCEDURES

INSTRUCTIONS

Welcome to our set-up guide. ***Please read*** and establish a reliable **point of contact** for your event so we can serve each other with excellence.

Point of Contact will be given a direct phone number to our catering coordinator for easy communication pipelines.

Email correspondence is ***catering@snoshavery.com***

Invoicing will be settled with our catering coordinator at **least 2 weeks before** the event occurs.

Point of Contact must easily facilitate and host our crew with the following resources:

- 1. Provide any and all pre-requisite EXTERIOR company compliances our staff must undergo in order to gain access to electrical power from your designated place prior the day of service.**
- 2. Designate a specific exterior space where the hosting party would like our team to set up equipped with a minimum of two standard power sources.**
- 3. Designate an area where our team can wash and clean our garnish trays, and shaving utensils.**
